WHAT IS THE JULIE FOUDY SPORTS LEADERSHIP ACADEMY?

The Julie Foudy Leadership Academy (JFSLA) combines a five-night, six-day residential Summer Sports Camp and Leadership Academy for girls, ages 12 - 18. This unique camp will run from July 9 to July 13, 2017 at the Peddie School in Hightstown, New Jersey.

JFSLA focuses on two overlapping components - Sports and Leadership - and how they complement each other. There is also a ton of silliness thrown in for good measure.

Campers choose to focus on either soccer or lacrosse. The girls train with their respective sports and then unite for the Leadership component - half the day training and half the day doing fun, high energy leadership development.

The soccer program is facilitated by 2-time Olympic and 2-time World Cup Champion, Julie Foudy. The lacrosse program is facilitated by World Cup champion, Jen Adams. The camp has world class role models, Olympic Gold Medalists, World Champions, and all around rock stars on staff every year!

The aim of JFSLA is to expose students to Julie's great passion: the concept of not just being a leader on the field but a LEADER IN LIFE.

WHY LIVE LIKE BLAINE AND JULIE FOUDY?

The Live Like Blaine Foundation was founded in 2015 to honor Blaine Steinberg, who passed away suddenly just shy of her 21st birthday while a junior at Dartmouth College. Blaine was a passionate athlete and a leader both on and off the field. The mission of the Live Like Blaine Foundation (LLB) is to empower and inspire young women to become leaders through fitness and athletics. LLB wants young female athletes and leaders to see life as a series of opportunities, rather than hurdles.

Julie Foudy is a frequent speaker on leadership and why sports are so important for the development of girls today. She believes that sports teach you many great life lessons that help on the field, at work, and in life. Sports are not just about the physical part and being healthy; they help you develop confidence, a strong work ethic, and an ability to work within a team. Sports also help girls learn to deal with setbacks and adversity.
